RE: Help Desk/IT Support Specialist

Dear Hiring Manager,

I am excited to apply for the Help Desk/IT Support Specialist position at Delta Pacific Seafoods Ltd. With over five years of experience in network administration, system monitoring, and branch management, combined with my current pursuit of an MBA at University Canada West with a focus on cloud computing, machine learning, and business analysis, I am confident in my ability to leverage my technical expertise and leadership skills to support your team's success.

In my role as a Branch Manager at Vianet Communication Pvt. Ltd., I led branch operations for two years, coordinating teams and achieving operational excellence. Additionally, as a System and Network Monitoring Engineer for three years, I managed Cisco and Juniper-based network infrastructure, utilizing tools like MRTG and Cacti for performance monitoring and troubleshooting. These experiences honed my problem-solving abilities and strengthened my capacity to maintain robust IT systems. My certifications as a Cisco Certified Network Associate (CCNA) and Digital Marketing Associate further complement my technical proficiency and adaptability in dynamic environments.

As a highly motivated and adaptable IT professional with a passion for innovation and continuous learning, I am thrilled about the opportunity to join a company that values excellence and collaboration, aligning with my professional vision. After researching Delta Pacific Seafoods Ltd.'s mission, values, and achievements, I am impressed by your commitment to operational efficiency and believe that my skills in IT infrastructure management and team coordination can contribute to your ongoing success.

Currently, as a student, I am authorized to work 24 hours per week and am eager to contribute while gaining valuable experience in the Canadian market. Upon my graduation in July 2025, I will be available for full-time employment.

Thank you for considering my application. I am excited about the opportunity to contribute to your team and look forward to discussing how my qualifications align with the needs of Delta Pacific Seafoods Ltd.

Sincerely,
Sanjiv Dulal
